

Safe Environments

Water Safety - Operation Splash

A scenario about the dangers of using and playing on inland waterways. This is designed to educate young people about staying safe near water. Role-playing as the Officer in charge of 'Operation Splash' they will direct their resources to a variety of incidents. In doing so they will think about the dangers involved and consider the strategies needed to stay safe.

Safety at the Seaside [Click to see sampler](#)

This is an activity looking at Seaside Safety.

Summer Safety (River & Sea)

This is an activity looking at Summer Safety with a small amount of Anti-Social Behaviour. Based on Operation Splash but updated to include making emergency calls.
