

A Victorian Murder in Association with the Essex Police Museum

In this scenario participants role play as a Victorian Police Officer trying to solve a Victorian Murder. From the initial suspicions of a bank regarding a possible forged cheque the story will go all the way through to the personal account of a Police Officer present at the gallows.

Participants working in teams will be advised and guided through the story by the curator of the Essex Police Museum and former Police Officers.

This is not sensational and does not intend to shock. Children will see actual exhibits and photographs from the time.
